1. Project must primarily benefit the people of Winkler and District.
2. Grants are made only to non-profit organizations with CRA Registration Numbers and other qualified recipients under the Income Tax Act.
3. Organizations seeking funds must demonstrate a strong and committed board, fiscal responsibility, and management qualifications.
4. Grants are made annually. Grant deadline is June 15.
5. An appointed grants committee makes a recommendation of grant recipients to the board of directors. The recommendation requires a majority vote of approval by the board.
6. Grants are awarded for definite purposes and for projects covering a specific period of time.
7. Pilot or demonstration projects must include provision for an evaluation and a realistic plan for financial viability beyond the pilot stage.
8. The Foundation encourages the participation of others in funding projects and, on occasion, provides matching funds or challenge grants to stimulate increased response from other sources.
9. Preference is given to projects which:
 - support capital projects / bursaries & scholarships
 - encourage more efficient use of community resources;
 - address the underlining causes of problems in our society rather than dealing only with symptoms;
 - are developed in consultation with other agencies and planning groups and those which promote coordination, cooperation and sharing among organizations and the elimination of duplicate services;
